About the Exhibition

Building on the success of the earlier **nine** editions, the CII-Suresh Neotia Centre of Excellence for Leadership is happy to announce the 10th edition of **TravelSphere (erstwhile Travel East)**, which will be held in City Centre I, Kolkata between 27th to 29th November 2026. This prestigious three-day event will feature a wide array of exhibitors from the travel and tourism sectors, both from India and abroad. It aims to offer invaluable opportunities for industry players to explore new markets, promote their destinations, and showcase their products and services to a diverse audience.

Advantage & Opportunity

The **10th edition** of **TravelSphere** will take place in the heart of Kolkata, presenting an exceptional opportunity to engage with a large and diverse audience. Renowned for its vibrant culture and deep-rooted passion for travel and exploration, Kolkata offers an ideal setting for the event. As the IT hub of West Bengal, the “City of Joy” is home to a growing base of cosmopolitan, upwardly mobile young professionals with a strong inclination towards travel. The venue is strategically located amid upscale residential neighbourhoods and prominent high-street retail destinations, ensuring high footfall, excellent visibility, and sustained audience engagement.

About CII

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.

About CII-SNCEL

The CII Suresh Neotia Centre of Excellence for Leadership (CII-SNCEL) is part of CII's Integrated agenda of building competitiveness through Centres of Excellence (COE). CII-SNCEL is one of the 12 COEs set up for enhancing development and progress through a diverse range of services. Established in 2009 at Kolkata, the Centre was initiated with the purpose of serving as a key facilitator of leadership development across various segments of business and socio-cultural demographics. CII-SNCEL was conceived on the core belief that the quality of leadership will play a vital role in enabling the 'new India' to succeed in its mission for inclusive growth and competitiveness and thereby becoming a frontrunner in the global economy.
